Hi Dr. Azok. I was wondering if you'd be able to shed some light on what is going to happen to **John Noakes**

John Noakes It sounds like he's here to stay which I know for a fact makes many people very uncomfortable and upset.

Hi **Student 14** can assure you that the school is aware of this and is acting quickly. Unfortunately, I can't give you any specific information. I know this is a very stressful situation and if you need to talk, please let me know.
